

Ministry at Home

Family Devotional for Wednesday, July 29th

Note for Parents: You are doing an awesome job!!! There's obviously a lot of things that could be fighting for your attention and the attention of your family, but it says a lot about you and your dedication to being a Godly parent that you are taking time to do this quick study with your family. This is where ministry really happens! Thank you from everyone here at Robinson Ave.

Instructions: Pray together to start. Tonight's scripture comes from Hebrews. Read it as a family. Some thoughts on the scripture and a challenge/activity has been provided below. This is your class so lead it as you see fit. Close in prayer.

Scripture: Hebrews 10:24-25

“And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching.”

Thoughts: It has been really nice coming to services again this last month. It is exactly what I've been needing, and I imagine that it is the same for many of you. As we get back into the swing of meeting together again, I think there are a few things that we should do. As the scripture says, we should try and “spur one another on toward love and good deeds.” This is one of the most important things we do as the church. We encourage each other to love others and to serve in the name of Jesus. We also ought to “not give up meeting together.” Being together is very important! In our state's current health situation, we need to be careful when meeting together physically, but we can be present spiritually in all circumstances.

Activity: In an effort to help us spur one another on to love, good deeds, and to being spiritually present, tonight's activity is all about reaching out to our church family.

Choose 3 people from church and let them know how much you love and appreciate them. Let them know you miss them and try and reconnect with them if you haven't seen/talked to them in a while. Encourage them to reach out to other members too.
